ISA. 43:19

Commencement (2025)
Kingdom Impact Training School (KITS)
Training the Nations (ethnos) to manifest the Kingdom of
God and to model His eternal purposes in the earth

REV. AYODELE SALAWU
Co-Founder, Laborer & Proprietor

To God be the glory, great things He has done, and He continues to do. My journey in the Kingdom missions began in Calvary ministries (Capro) in Dec, 1988.

At their annual program "The last days gathering" in the Southern part of Kaduna State. That was where I received the call to Missions and stayed for training in

Discipleship. I went further to their School of Missions in Jos, Plateau State the following year in 1989.

I did my mission field practical among the Gwari tribe in Kaduna State and the Igalas in Benue State. I moved down Southwest, Nigeria in 1990 where I met the late Pastor Samuel Owolabi, a missionary pioneer in Ibarapa based in Tapa. I worked with him in the interior parts from 1990 - 1992.

The Kingdom journey has also taken me for series of training overseas: Rhema Bible College, Domata Mission School both in Tulsa, USA. Diploma in Theology and Missions, respectively, BA (Humanities and Religion), Milton Keynes, UK, MSc (Global Health) Liverpool, UK. Kingdom journey is a movement of life building up the Spirit, Soul and Body for relevance in our individual Kingdom assignment.

The Ibarapa mission of JDM started with my new family in 1994. And to God be the glory, we are today, in Dec, 2024 celebrating the 30th anniversary of this outreach. No new beginning without it's challenges, but the call becomes the sustaining and sufficient grace to ride on.

Today, by His grace we **celebrate** the Trinity (Father, Son and Holy Spirit) for building His Church in Ibarapa through the precious Blood of Jesus, for Salvation, Healing, Deliverance and Victory over forces of evil over the land. We **celebrate** the first and second generation of JDM

as shown in the inside photos. Jesus said *"Go therefore and make disciples of all the nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit"* Matt. 28:19.

In JDM terminology, the first generation are now parents, pastors and leaders of JDM in various capacities in their locations. While, the second are the Youth Alive members, (blazers of new trail). Some are getting married, young graduates, students in tertiary institutions and in high schools. And if Christ tarries, JDM will live on to celebrate more years and generations to come in Jesus Name.

Secondly, today, we are also celebrating the 20th anniversary of **Rehoboth** group of schools. Another, "look what the Lord has done" A school with a difference (Jesus) in the community. The School that has seen University graduates evolved from its creche. One of the best schools in Ibarapa North Local Govt. Presently, one of the Science Teachers is an alumnus. To God be the glory. A very hearty congratulations to the Patron, the Board of trustee, PTA, Staff and the Students. Your best is ahead for *"the path of the just is like the shining sun, That shines ever brighter unto the perfect day"*. Prov.4:18.

By the special grace of God, the next phase of JDM in Ibarapa is ushering in the "Kingdom Impact Training School" (KITS). A Diploma Awarding Bible College that will practically demonstrate by the Spirit of God *"Thy kingdom come, Thy will be done in earth, as it is in heaven"* Matt.6:10. A new dawn of Dominion in Discipling the nations (ethnos). Please pray for us.

Thank you for gracing this occasion of celebration with us, you will also be celebrated in Jesus Name. Thank you.

Grace and peace.

EDITORIAL

Being born and raised in Christ in this ministry is a great joy for me. Growing up to see that JESUS is real and to witness more of what my parents told me God was doing in this ministry when I was not yet born, it's amazing. I am so grateful to God almighty for this great privilege.

How could I have been able to fix the pictures of what happened in my absence, if not God that helped my father in the Lord or I should call him my grandpa that kept all those records so that we, the second generation could see too.

JDM YOUTH PASTOR.

Praise the Lord.

I am Adegbola Adesina Gabriel By the grace of God, I am One of the youth leaders and especially, the youth pastor. I joined the ministry as a little child and was enlisted into a club created for children of my age group then (PRAISE THE LORD CLUB)

And up-to-date, God has been faithful. Truly, there are many attacks from the kingdom of darkness but Jesus remains the mighty man of war, who always gives us victory. God has been using the youths in JDM to shake the kingdom of darkness in our environs and we are still trusting God that Greater things than Jesus did we will do in the coming years.

"To set the captives free,...to proclaim the acceptable year of the Lord." Luke 4:18,19

On behalf of the entire 2nd generation youth, we want to say a big thank you to Jesus for His sustenance over our father in the lord, the person of Rev'd Ayodele Salawu, Our pastors, the first generation brothers and sisters and the entire JDM members for making us all to witness the 30th anniversary of the ministry. May His name be praised forever and ever in Jesus name. Once again, we say congratulations to our Daddy in the Lord and to all of us. May the good Lord protect us all, and keep us to enjoy more of His grace forever. We believe, the glory of this latter House shall be greater than the former (Amen).

CONGRATULATORY NOTES FROM FATHERS, FRIENDS AND SONS IN THE MINISTRY

Amazing things God is doing in the Ministry as every decade has always been a landmark. Congratulations on these landmark victories. May the Lord continue to expand your coast.

Elder F Alawode (UK)

I want to say a big congratulations to Rev. Ayodele Salawu and the entire members of JDM for all the notable achievements and accomplishments over the years. For God is not unrighteous to forget your work and labor of love, which ye shewed toward his name, in that ye have ministered to the saints, and do minister" Heb. 6:10
To God be all the glory, honor and praise.

Femi Erayetan (Abeokuta)

Happy 30th anniversary to JDM.

Just like yesterday, JDM is already 30 years.

To God alone be all the glory.

I congratulate the set man of the ministry, Rev. Ayo Salawu and the entire members of JDM. The number 30 is very significant in the bible. Its the age of maturity. Aaronic priests were initially dedicated to serving at 30 years of age (Num.4:3).

God likely chooses 30 years because that is when a person reaches both physical and mental maturity and could therefore handle major responsibilities.

It is at 30 that most active services really begin.

For example: Jesus started his ministry at 30. (Lk.3:23 NASB)

When he began his ministry, Jesus himself

was about 30 years old. King David also, when he began to reign over Israel, he was this age (2Sam.5:4).

And Joseph was 30 years old

when he stood before Pharaoh king of Egypt.

And Joseph went out from the presence of Pharaoh, and went throughout all the land of Egypt.

Gen 41:46 KJV. He was being prepared until he was 30 years of age before God manifested

His glory in his life. **I wish to state therefore,**

that JDM is entering into the era of maturity

and manifestations. Let me say to the leadership and to

all the members of JDM that it is **a new dawn.** You must therefore,

be strong and of a good courage. Let not your hands be

weak for your work shall be rewarded. I pray that this season shall be

a season of power, wonders, victory and

unprecedented success in Jesus name.

Once again, happy anniversary.

REV. WAIYE JETHRO PRINCE REHOM INT'L. (LAGOS)

We, Pastor & Mrs Timothy I. Kolapo heartily rejoice with you sir, Rev. Ayodele Salawu, on the occasion of your 40th year anniversary in the New life experience in Christ, 30th year of meritorious service in Ministry and 20th year of resounding success in establishment and running of a private group of schools in a difficult terrain. Sincerely speaking, these are very commendable praise worthy efforts and achievements! These can come from no other source than of a godly mind set full of sacrificial love, dedication, and determination. We ascribe all glory unto God Almighty for making you a blessing to our generation. PTL! May the years ahead be more fruitful, gracious, and pleasant in sound health, longevity and abundant blessings. Amen.

Pastor & Mrs T Kolapo (Idere)

A true friend and colleague in ministry.

Rev Salawu and I met around the late 80's in the ministry of a great man of God, Rev Yemi Ayodele where we served. We were young and very green, but we served the Lord wholeheartedly.

Rev Salawu was more involved in Missions under the ministry.

He was trained and equipped to reach the unreached in the rural and mostly neglected areas of our towns, villages and hamlets.

Back in those days, I saw in Ayo, a purpose driven life: with big dreams and visions for the future. Yes, there were challenges but he remained undeterred. I remember the hours spent in tears on his knees as he cried to the Lord for directions and help. We were room mates then.

We didn't know much of what the future held for us but with joy we continued to serve the Lord.

I remember he installed a borehole for the community in Ibarapa. The enemy attacked this project, but God got it off the ground! Hallelujah.

Later I relocated to South Africa. Years later, we reunited in the United Kingdom!

A couple of times, I went to see for myself the great work he was doing amongst the people in these rural communities.

Rev Ayo and his team did not only teach the people the principles of God's but were also meeting the needs of the people financially, medically, educationally and otherwise. Through his ministry, the Light of God is shining brighter and brighter in these communities.

Rev Salawu is a very intelligent and very resourceful person that I respect so much. He is a man of faith! A visionary leader. All these attributes are visibly manifest in the great work he leads his teams to do. He is a man of prayer and the Word!

Rev Ayo is a very deeply committed Servant of the Most High God and his passion for lost souls keep driving and fueling his love for Missions.

The achievements and developments that God has used Rev Ayo to bring about in the last 30 years show the work of grace in the life of anyone wholly committed to God like he is.

At the time when many will be considering retiring, Rev Ayo is going on ever so stronger with so much fire in his bones! This can only be God!

Rev Ayo, on behalf of my family, myself and ministry, I congratulate you on this occasion of the 30th Anniversary of your Ministry.

Our God will continue to empower you with His anointing, grace and wisdom for the many more decades ahead of you in ministry.

You will never lack support for the work in God's Vineyard.

Finally, to everyone supporting this great work, you will never loose your rewards here and in heaven.

The harvest is ripe, but the laborers are few. Let's pray to God for more laborers.

God bless you

PASTOR EMEKA OSIGWE (UK)

I am a partaker and living witness of THE LIGHT you brought 3 decades now...your God is awesome, we celebrate with you. Congratulations sir. **Apst Grace Akinwumi (Ilgangan)**

JDM is a ministry that is well-known by me since its inception at Ibarapa North (Ilgangan).

It is a ministry that has been

committed to missions and evangelism, and we have been

in working relationship since the beginning.

We do have our mission conference together because our focus is the same i.e reaching the unreached.

In the light of this I want to congratulate Rev. Salawu and his wife for the 30th anniversary of their ministry.

I pray that God will give them more laborers and more support to be able to fulfill God's purpose for their ministry.

Cheers. Beloved brothers and sisters.
